Prayers & Praise

- Teams to serve
- Funding for various program
- Financial partners
- Support for the Deaf School
- Permit for a well
- Health Issues
- Those grieving the loss of loved ones

Answered Prayer Moving SHJ Onward

Sometimes our time in Jamaica is spent with assisting teams who come to serve. Sometimes it is spent doing the general maintenance and weekly operations. Other times we are able to work on specific projects that have been brought to the Lord to provide for. Such was our visit last month. SHJ was blessed with a substantial gift that made it possible to move to the next phase of the church construction. Andy, our caretaker, did some prep work for the electrical service by digging a trench from the meter post to the building. A very labor intensive job in ground made up of a lot of rock. Adam and Akeem, our electrical helper, were able to instal the two service panels, lay pipe and pull wire and install the electrical fixtures in one of the rooms. They hooked up a

temporary service line to supply the power to that room. We will need to source in the USA the wire that will run from the meter to the church as it is very expensive in Jamaica. We are hoping to be able to continue the electrical on the church in the summer.

In addition to the electrical we were able to begin the digging of the sewage pit. It was dug about 4 feet. A huge rock ledge became an obstacle and will need to be busted up with a jack hammer. As I mentioned and many have found out first hand, SHJ does not have a lack of rock.

Other items that were addresses were the need for water sources. Several new water catch systems were built, plumbing issues were addressed and Adam was able to meet with RADAA to register SHJ as a farm. This was the first step in securing a permit for a well. SHJ is now working with Isratech to find potential springs or other ground water.

Please continue to pray that this process will go quickly and that SHJ will be awarded a permit and receive funding.

PROGRESS REPORT

Greenhouse, aquaponics and honey

The greenhouse yielded an abundance of bok choy, pumpkin, peppers and tomato. The fish are growing and we were able to harvest 20 pounds. In the summer we plan to separate the sexes and plant lettuce in the waterbed. The honey bees have been reproducing. Akeem and Eaton divided them to additional boxes. Spring has arrived and we are already hearing the buzzing of the bees on the trees.

WELCOME

We extend a hearty welcome to our two new board members Joshua and Molly Anderson. They have been mission team leaders for several years and have a passion for reaching the Deaf. Molly works with those who are disabled and Joshua is pursuing a career in politics. They are a great addition to the board.

Called Home

Two of SHJ's long-time supporters and advocates, Ted and Aileen Asprodites, have been called home to be with our Lord. Even to their last days they were concerned with providing for this ministry. They will be greatly missed. We are asking that you pray for their loved ones.

Please pray also for our dear friend Eaton Bennett and his family for the loss of the mother of Eaton's 5-month-old son, Moesha. She was very young and had health issues.

SERVANT'S HEART JAMAICA

Invites you to join us for
"SWEET SERVING"

APRIL 19, 2020 at 2:30 PM

Black Fox Farms
2724 Varnell Rd SW
Cleveland, TN 37311

Tickets \$15 per person/ \$25 couple
\$100 Table (8)

Come share dessert with us as we
present how you can be a "sweet
servant"

Tickets can be purchased by contacting
Tracy Ford at 423 605-0230
Cindy Kelley at 423 413-2744
Katie Kerley at 865 661-8328
Vanessa Scales at 423 331-4053
